**The work of The King's Kitchen extends far beyond the kitchen and the dining room you are sitting in now. Thanks to the work of the Charlotte Mecklenburg Dream Center, The King's Kitchen is a small piece of hope that is being given to the hopeless across Charlotte's toughest neighborhoods. The Charlotte Mecklenburg Dream Center is partnering with local businesses, ministries, and organizations to offer discipleships, housing, job training, and hope to the desperately unloved. We invite you to learn more about The Dream Center and the ways you can donate your time and resources to give hope.**
